INTERNSHIP EXPERIENCE

Vendor Relations & Outreach Intern **Hyderabad, Telangana**
Exquisite Unions by Krista

- Researched and sourced verified local vendors to build a centralized operational network database.
- Coordinated vendor communication and follow-ups to support event planning activities.
- Tracked vendor information, deliverables, and event logistics spreadsheets using Microsoft Excel and Google Sheets.
- Assisted in preparing presentations, reports, and operational documentation for internal coordination.

FEATURED PORTFOLIO PROJECTS

IPL Stadium Operations Blueprint
Designed a comprehensive match-day operations blueprint optimizing logistics for top-tier cricket events.

- Mapped out strategic crowd flow plans, volunteer deployment charts, and emergency response guidelines for stadium operations.
- Built an operational budgeting and coordination dashboard to manage venue food, beverage, and service vendors safely.

Pro Kabaddi League Event Operations Plan
Developed an end-to-end operational planning and execution framework for hosting a professional league tournament.

- Created a master timeline alongside detailed event staffing plans and deployment rosters for live venue execution.
- Structured core vendor management tracking sheets and event expense budgeting systems.

IPL Sports Analytics Dashboard
Built a sports analytics dashboard to translate player performance data into strategic visualization insights.

- Analyzed key phases of play including Powerplay metrics and Death Overs trends across different franchises.
- Visualized critical metrics such as team win percentages, top run scorers, and top wicket-takers via data dashboards.

Sports Sponsorship Strategy Proposal
Compiled a commercial business proposal tailored to attract corporate investments and brand activations.

- Designed multi-tiered sponsorship packages, a target marketing strategy, and brand activation plans.
- Formulated financial revenue forecasting models to justify corporate partner return on investment.

Hyderabad Marathon Operations Plan
Constructed an environmental and operational blueprint for a city-wide running event layout.

- Mapped out route logistics, multi-site resource allocation plans, and formal risk assessment documentation.
- Integrated sustainability execution parameters alongside real-time logistics budgeting tracking boards.
